Scholarships

Application Deadline: June 15, 3:00 pm

General scholarships provide a partial tuition waiver to the class or workshop for which you are registering. Scholarships are granted on the basis of financial need. You may apply for a scholarship by attaching a one-page letter to the registration form below describing why you need this scholarship, how it will benefit you and how you plan to use what you have learned. Scholarship funds are limited and applications will be considered on a first-come, first-served basis. Note in your application how much of the class tuition you can pay. You will be notified of our decision prior to the beginning of the class.
